

EXTERNSHIP IN CLINICAL NEUROPSYCHOLOGY

The Columbia Comprehensive Epilepsy Center has openings for clinical neuropsychology externs for 2009-10. Extern will learn to administer, score, and interpret neuropsychological test batteries in adults undergoing evaluation for intractable seizures and other neurological conditions. Externs will have to opportunity to attend case conferences, teaching rounds, and lectures in the Department of Neurology at Columbia University Medical Center. Extern will also have opportunity to observe intracarotid amobarbital testing (Wada Test) and intracranial cortical language mapping.

Current enrollment as a doctoral student in Psychology is required. Graduate coursework in neuropsychology and prior testing experience is preferable. Application deadline: April 15, 2009.

Interested applicants should send a cover letter, curriculum vita, and two recommendation letters to:
